Circle-of-support@sbcglobal.net

Geographic Area

Chicago northside, Chicago southside and Northwest suburbs (Cook County)

Service Facilitation provided for both adults and children when family chose Agency Direct.

Circle of Support's main objective is teaching, training the child especially with autism disorder. We provide staff to work with the child.

Service Facilitators

Tet L. Santiago, Program Director

The mission of the Family Support Network is to unify individuals with disabilities and their families to advocate for funding, services, and community resources that strengthen and support the individual and the family directly by responding to their individual needs and empowering them to live in their own homes. The Family Support Network further seeks to ensure the continuation of all individual supports throughout the life span of the individual.
